

MINUTE OF JURY SELECTION

Call for Postdoctoral Position

Project VPI-0000000044

At 15:00 of December 7th 2022, the selection jury formed by the Dr Hannah Heil, Dr Simão Coelho and Dr Ricardo Henriques met in view of analysing the applications to a postdoctoral position, in the scope of the project VPI-0000000044, funded by the Chan Zuckerberg Initiative.

The call was open since November 21st 2022 until December 6th 2022. The jury analysed the documents included in the applications that are as annex of this minutes.

The call received to the tender 2 candidates classified with the following criteria:

Name	Full application	Cv and previous experience (60%)	Motivation letter (20%)	Evaluation (máx. 80%)
1 Arturo Vesga	Yes	55	15	70
2 Ana Batista	Yes	40	10	50

After consideration of all the applications, the jury convened to an interview the candidates 1, since candidate 2 does not have considerable experience in single-molecule super-resolution microscopy as described in point 8 of the call.

The interview of candidate 1 occurred by Zoom on December 12th 2022 at 10:00. After the interview, the jury decided by unanimity recommend the hiring of the candidate number 1 based on his experience in super-resolution imaging, optical physics, computational biology and the motivation to develop the project.

The candidates were classified in the following way:

Name	Evaluation (max 80%) - grade -% of the total evaluation of the previous table	Interview (max. 20%) – grade	Total
1 – Arturo Vesga	70	20	90

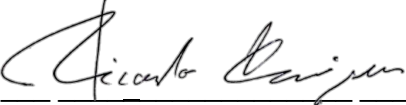

All the interviewed candidates were informed of the deliberations of the Jury on December 12th 2022. If there are no complaints during the following 10 working days after the notification, it will be considered as effectives the decisions of this minute.

The selected candidate accepted the position (email December 12th of 2022).

There being no further business to discuss, the meeting for which these minutes were drawn up was closed and signed by all the members of the Jury.
