

JURY MEETING MINUTES – RECRUITMENT CALL CLOSURE

Open Call for a Research Fellowship within the 101044428 — VirulenceControl
— ERC-2021-COG financed by Horizon Europe.

On 19.05.2023 the President of the Jury proposed to re-opening the recruitment call BI-PD_ VirulenceControl for a postdoctoral fellow within the project 101044428 — VirulenceControl — ERC-2021-COG with a higher monthly stipend value, as permitted by the Institutional Fellowship Regulations (February 2023), deeming the current call ineffective.

On 30.05.2023, the candidates were informed that the recruitment call was deemed ineffective and that, once the call is reopened, they will have the opportunity to reapply.

On 12.06.2023, the Jury met to close the process. The Jury also recommended reopening the recruitment call as soon as possible so as not to jeopardize its execution, with the monthly stipend being updated to Euro 2200,00, as per the Institutional Fellowship Regulations. This value is applicable exclusively to fellowships financed by international funding agencies (this excludes fellowships financed by FCT).

There being no further business to discuss, the meeting was adjourned, and the present minutes were drawn up and signed by all the members of the Jury.
