

## MINUTE OF JURY SELECTION

Call for a Research Fellowship - FishStress  
Funded by the funded by the Calouste Gulbenkian Foundation

At 16 of October 2023 meet, at 14:00, the jury selection formed by Dr Rui Oliveira, Dr Magda Teles and Dr Susana Varela, responsible for analysing the applications for the research fellowship, funded by Calouste Gulbenkian Foundation.

The call was open from 20 of September 2023 until 03 of October 2023. The jury analysed the documents included in the applications found attached to these minutes.

The call received 4 applications that were classified in the following way:

Name	Full application	CV (50%)	Motivation letter (30%)	Reference letters (10%)	Evaluation (máx. 90%)
1- Bianca Fusani	Yes	45	28.5	9.7	83.2
2- João Martins	Yes	37.5	24	2	63.5
3- Afonso Ruivo	Yes	30	21	7	58
4- Gonçalo Mestre	No	30	21	0	51

After considering all applications, the jury convened that the interview of the candidates was not necessary. The candidate Gonçalo Mestre did not present the full documentation requested in the call, the reference letters were missing, nevertheless, the candidate was evaluated in the other components.

Following the evaluation, the jury decided by unanimity to recommend the hiring of the candidate Bianca Fusani based on her strong background in Neuroscience, experience on bench work, manipulation of adult zebrafish, together with her motivation to embrace and develop the project.

All the candidates were informed of the deliberations of the Jury on 18 of October 2023. If there are no complaints during the 10 working days following the publication of this minute, the decisions herein communicated will be considered as effective.

There being no further matters to discuss, the meeting for which these minutes were drawn up was closed and signed by all the members of the Jury.
