

## MINUTE OF JURY SELECTION

### Call for fellowship Project (Genome Maintenance and Evolution)

At 10 of 01 2024 meet, at 10:00, the jury selection formed by Marco Fumasoni, Giulia Ghedini and Isabel Gordo, responsible for analysing the applications to a fellowship, in the scope of the project (Genome Maintenance and Evolution), funded by Fundação Calouste Gulbenkian.

The call was open from 20/12/2023 until 04/01/2024. The jury analysed the documents included in the applications found attached to these minutes.

The call received 4 applications that were classified with the following

Name	Eligibility	CV and previous experience (60%)	Motivation letter (20%)	Total (Max 80%)
1 Mónica Galocha	Yes	45%	18%	63%
2 Mkrtich Harutyunyan	No	n/a	n/a	n/a
3 Sara Ettamimi	No	n/a	n/a	n/a
4 Muhammad Bilal	No	n/a	n/a	n/a

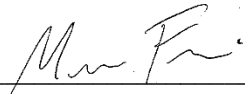

In the recent deliberations of the jury committee tasked with selecting a candidate for the postdoctoral position, careful consideration was given to the applications received. The Jury appreciated various intriguing aspects of the application received, however, among the four submissions, only one met the eligibility criteria. Regrettably, Muhammad Bilal and Sara Ettamimi did not fulfil the specified requirement of prior experience with *S. cerevisiae* or other yeasts. Mkrtich Harutyunyan instead, fell short in the domains of evolution and molecular biology—integral facets of the advertised position. Unfortunately, the eligible candidate, Mónica Galocha, with a good CV, publications, and a motivation letter, withdrew her application after the call closed.

All the candidates were informed of the deliberations of the Jury on 15 of 01 2024. If there are no complaints during the 10 working days following the publication of this minute, the decisions herein communicated will be considered as effective.

There being no further matters to discuss, the meeting for which these minutes were drawn up was closed and signed by all the members of the Jury.
