

## MINUTE OF JURY SELECTION

### Call for a Researcher's Initiation Fellowship (BII) Project ChromoSilence — ERC-2020-COG

At 18/03/2024 met, at 10.30, the jury selection formed by Dr. Raquel Oliveira, Dr. Alexandra Tavares and Dr. Laura Tovini, responsible for analysing the applications to a Researcher's Initiation Fellowship in the scope of the project ChromoSilence — ERC-2020-COG funded by program Horizon 2020.

The call was open from 28 February 2024 until 12 March. The jury analysed the documents included in the applications found attached to these minutes.

The call received 5 applications that were classified in the following way:

Name	CV and previous experience (40%)	Motivation Letter (20%)	Reference Contacts (1 – 10%; 2 – 20%)	Evaluation (máx. 80%)
1 – Martim Calçada	32	18	20	70
2 – Miguel Serrano	24	15	20	59
3 – Ayesha Areej	25	10	20	55
4 – Margarida Papança	18	10	20	48
5 – Ehsan Sharifipour	Not eligible			

After considering all applications, the jury convened that the candidate Martim Calçada presented previous laboratory experience relevant to the development of the project, namely the use of cancer cell lines, experience in mitotic fidelity analysis, and microscopy techniques. Also, the motivation letter of Martim Calçada demonstrated a specific interest in the Chromosome Dynamics Lab line of research.

Considering the career stage that was asked, the specific motivation, and previous lab experience, the jury decided by unanimity to recommend the hiring of candidate Martim Calçada to develop this project.

All the candidates were informed of the deliberations of the Jury on 18 March 2024. If there are no complaints during the 10 working days following the publication of this minute, the decisions herein communicated will be considered as effective.

There being no further matters to discuss, the meeting for which these minutes were drawn up was closed and signed by all the members of the Jury.
