Candidates 5, 6, and 7 were not qualified for this fellowship position due to the award date of their PhD degree. After review of the submitted documents, the jury decided by unanimity to recommend the hiring of candidate number 1 based on their experience in host-microbiome interactions and insect model systems, and the motivation to develop the project.

All the candidates were informed of the deliberations of the Jury on 1 of 03 2024. If there are no complaints during the following 10 working days after the notification, it will be considered as effective the decisions of this minute. The selected candidate accepted the position (email on 1 of 03 2024). There being no further business to discuss, the meeting for which these minutes were drawn up was closed and signed by all the members of the Jury.
